Dear Jao,

I 'm happy to write you this letter. I wish to tell you about the picnic I had with my family last Saturday.

We went to the country not very far from Antananarivo. We left very early to go to the place. Once we arrived there, we chose a very beautiful spot near a river .My parents sat under the trees and we children began to play, to sing and even to dance. At noon we had lunch, we visited the place, and we saw beautiful flowers. We went back home late in the afternoon. We were very tired but we were happy.

What a fantastic picnic it was!

I wish to invite you to come with us when we shall go for a picnic later.

Yours,

Mamy
