Dear Sir or Madam,

I have noticed in the newspaper your advertisement to recruit a lorry driver and I have decided to apply for this post.

I'm a boy of 28 years old. I have BEPC degree. I speak French fluently. I am honest and hard-working. I'm available day and night. I think I have the required competences for the post. I have got a driving license since I was 21 and I have worked in a similar company for 5 years as a lorry driver.

I enclose my CV, my work replacement certificate and my phone number for an interview.

I hope that I have convinced you that I'm the best candidate for this post. I'm looking forward to receiving a positive answer from you.

Yours sincerely,

Lita
