

Terminale Unit 2:

Sally's Monologue

Hi, I'm a student in Lincoln Lake High School in Ohio, and even though I am very busy I love school.

The classes begin at 8 a.m. sharp, but we have to be at school at least 15 minutes before.

My first class is Spanish, and it begins at 8:15 and ends at 9. My teacher, Mr. Sanchez, is really cool. He always brings in music and we sing a lot in class.

Then I have History at 9:06. Mr. Williams is old-fashioned, and I get bored in his class. I'm relieved when the bell rings at 9:50.

And then it's off to third period Math, which begins at 9:56. Miss Ands is fantastic. She makes math interesting. The time in her class flies by. I hate to leave when the bell rings at 10:40.

Ugh, the worst part of my day is fourth period -- Phys. Ed.—ugh. At 10:46 we have to go directly to the Locker Room to change into our gym clothes. Then our teacher makes us run for 30 minutes.
